Grading Policy

A : 90% to 100%

B : 80% to 89%

C : 70% to 79%

D : 60% to 69%

F : 0% to 59%

Grade Components

Module Exams: 72%

Final Exam: 28%

The examinations are computerized, and are to be taken in the IMME laboratory examination area on or before the deadline date for the given module. You are *highly* encouraged to take the exam *before* the deadline date.

There is one module exam for each of module two, three, four, five, six, and seven, for a total of six module exams.

The final exam will cover modules 1 through 7.

Forgiveness Policy 1: A grade of 80 % or better on a module exam will replace the lowest score of 79 % or less on a previous module exam.

Forgiveness Policy 2: You may optionally take the module exams for modules one and eight. Your score on each of these exams will replace a lower module exam grade.

Forgiveness Policy 3: The final exam grade will replace the lowest previous module exam, if the final exam grade is better.
