Lesson 0330
Sunday, March 29, 2020

I will attempt to contact you through Microsoft Teams, and we will have a “meeting”. Let’s connect on Tuesday at 2 PM (our class time). Email me if that does not work for you. Also, please complete the problems I assigned, ask me if you have any questions, type up as many solutions as you can in $\mathcal{A}\mathcal{M}\mathcal{S}\mathcal{E}\mathcal{T}\mathcal{E}\mathcal{X}$, and let me know when you are finished with those problems.
