AP COMPUTER SCIENCE   Lesson 0331
DR. PAUL L. BAILEY   Monday, March 30, 2020

I have decided to postpone the due date for `PCScix035b.pdf` until Wednesday, April 1, at 11:59 PM. Please submit whatever you have at that point via the Microsoft Teams assignment. On Thursday, I will give you my code for this part of the project (so we are all on the same page), and assign (hopefully interesting) methods to write within the `Graph` class.

If you have questions, type them into the Chat Room channel for our class.

Tomorrow at 9 AM I will initiate an optional "meeting" in the chat room. This is just to discuss where we are and share ideas. Attend if you wish.

There is no checkin for today.
