

I have created a practice test on AP Classroom. It is called Practice Exam 0401 MCQ. It is due Sunday at 11:45 PM. Please complete the exam, I will grade it to see where we are.

First, you will need to download, install, and verify the “Lockdown Browser”:

<https://apclassroom.collegeboard.org/lockdown>

Please let me know if you have any problems accessing the assessment.

Your assignment for today is finish reading Section 9.1 on separable differential equations.
Practice what you have learned by completing these problems:

- Thomas §9.1 9, 12, 17, 18

After your have done this, please acknowledge that by filling out the following Google Forms checkin.

0401 AP Calculus AB Checkin

We will have a optional scheduled Microsoft Teams meeting every Wednesday at 9 AM. I will send an invite on the Chat Room channel, you may attend if you wish. This is just an opportunity for you to ask questions (group tutoring).
