

AP CALCULUS AB
DR. PAUL L. BAILEY

Lesson 0414
Tuesday, April 14, 2020

Rooster crows.

I hope you all are well and happy today; relatively happy, that is, considering the circumstances.

- Read the responses R0414 to some of your questions (I'll try to get to the rest tomorrow).
- Read the solutions to H0413.
- Work the problems in homework H0414. Submit your solutions in Microsoft Classroom.
- When you are done, invoke today's checkin:

0414 AP Calculus AB Checkin

I will send out an invite for an optional class meeting at 11 AM on Wednesday. This is an opportunity for us to use a digital whiteboard to go over material.
