

**Information from the College Board**

The AP Calculus AB online exam is scheduled for Tuesday, May 12, at 11:00 AM Pacific Daylight Time, which is the same as Mountain Standard Time, which is also known as Constant Arizona Time. Students will have 25 minutes to read and respond to Question 1, and then 5 minutes to upload their response. After uploading the response to Question 1, students will have 15 minutes to respond to Question 2, with 5 additional minutes to upload their response to Question 2. Once their response to Question 1 has been submitted, they cannot go back to it.

- Practice the framework for the actual AP using this exam demo.
- Review the required and recommended resource list.
- Carefully read the AP Testing Guide for 2020.

**Today's assignment**

- Try H0508i on graphical information. An award winning special guest lecturer will go over this problem at 10 AM.
- Try H0508g (easy) and H0508h (hard). I will go over these problems at 1 PM.
- Fill out the polls at this checkin:

0508 AP Calculus AB Checkin

I will post lessons Saturday morning, indicating when we may meet again before the AP examination on Tuesday.

You all are very special, thanks for sticking with me these last few weeks!
